Coronado High School Juniors Banquet Seniors and Faculty

One of the most attractive of the social festivities attendant upon the closing of the school year and the graduation of the large class of students from the Coronado High school, was the banquet given Saturday evening in the rose room at Hotel del Coronado.

The affair was given by the Junior class in compliment to the Senior class and the faculty of the High school, and was marked by some clever speeches, Harry I. Burt, of the Junior class, acting as toastmaster.

Following dinner, dancing was enjoyed by the guests in the ballroom of the hotel.

Among those in attendance were:

Seniors: Bertha Hawk, Dorothy Bandel, Mildred Hammond, Elizabeth Floyd, Esther Morton, Ethel Flanagan, Clair Sheahan, Barroll Anderson, Gardber K. Kendall, Robert McCreery, Arthur Jessop, George J. Lewis, Paul C. Chamberlin, Paul Brose, Dan Clare, James Lyons, Desmond Turlaand, Charles Foster.

Juniors: Ada Davy, Irva Gawne, Kathleen Cridge, Gladys Frederick, Inez Cridge, Evalyn Halliday, Martha T. Farnum, Myliss Foster, Nelle M. Anderson, Viola Tatum, Elden L. Dilley, Arthur Jessop, Bob Heilman, Alexis H. Lyons, Robert Lee Morris, Charles Smith, Allen Nicol, Ken Lewis, Maurice Goodbody, Maurice Rodgers, Arthur G. Holmes, Harry I Burt.

Faculty: Alice Hart Rice, Gertrude Kyle, Clara Bell Cutler, Ruth H. McNeill, Bertha M. Fosdick, J. Leslie Cutler, Benjamin D. Shoemaker, Clyde Cook, S. A. Norris, H. A. Swan.

Guests: Mrs. H. A. Swan, Mrs. S. A. Norris and Mrs. B. D. Shoemaker.

High School Notes

The Annual has gone to press. Two hundred copies of our first effort will be turned out sometime during the next week. Most of these have already been signed up for, and those who wish copies should use their earliest opportunity to see the Editor or Business Manager and procure their edition.

Monday morning in assembly, Martha Farnum gave an interesting talk on her experience in Berkeley, while at the Shakespearean contest. She did not get in the final try out, but we feel that she did her best and showed the northern schools that Coronado wasn't asleep. It seems as if the San Francisco bay schools walked off with the prizes.

Friday evening, three one act plays will be presented by the Junior class in the school auditorium. Admission is 50c and as plenty of variety is offered, it is well worth the price. "The Singing Soul" is one of the playlets and has a Japanese setting, "The Gift" is a religious playlet, and "Joint Owners in Spain" is a modern comedy.

A beach party was given last Thursday by Mathew Howard. Weiners and buns were served, and a good time was had by all.

There was a Freshman-Sophomore party Saturday night in the Grammar School Auditorium. Games were enjoyed by some while others danced. All had a most enjoyable evening.

Mr. Cutler and faculty are very busy making out the program for next year so that no conflicts will occur.

The senior girls have at last decided what kind of dresses they want for graduation. They are to be white crepe de chine. The boys are going to wear white "trow" and blue coats. No doubt the class of '23 with its 22 members will look very imposing and inspiring upon the stage of the Little Theatre on the night of June 15.

The inter class swimming meet will be held Friday afternoon at Tent City. On Friday the 8th, the county swimming meet will be held at Tent City. There is still plenty of room for breast and back stroke swimmers on the team. The coach is planning to put three men in each event and so far there have been very few trying out for any of the events. There are always plenty there, but most of them are down there for their own pleasure, and not to honestly work and try to make a place on the team and winning thereby their letter.

Coronado clinched the County Tennis Tournament on Friday when Grossmont, Escondido, and National City were defeated by our team at La Jolla. Those winning their matches were Ada Davy, first player of the girls; Viola Tatum, second player of the girls; Elizabeth Floyd and Viola Tatum in the girls' doubles; Robert Morris, first player of the boys; and Percy Corrin, second player of the boys. The only matches which were lost were the mixed doubles and boys' doubles. These were won by National City. The tennis team deserves much credit from the school. They all were faithful in their practice and if our teams next year practice with the tennis team spirit of this year, we shall have several championships.

Coronado High Wins Tennis Championship

For the third successive year Coronado High School has won the cup put up for tennis and open to competition between the county High Schools. Friday on the La Jolla tennis courts the local players won five events out of seven and secured the trophy permanently. Teams were entered from Grossmont, Sweetwater, Escondido and Coronado.

The events were

Boys—1st singles, won by Robert Morris, Coronado.

Boys—2nd Singles, won by Percy Corrin, Coronado.

Girls—1st singles, won by Ada Davy, Coronado.

Girls—2nd singles, won by Viola Tatum, Coronado.

Girls doubles, won by Viola Tatum and Elizabeth Floyd, Coronado.

Boys doubles, won by Sweetwater.

Mixed doubles, won by Sweetwater.

HIGH SCHOOL CLASSES PLAN SWIMMING CONTEST

Classes from the High School will stage a swimming meet at Tent City on Monday after school hours in competition for the J. L. Cutler cup. Events have been arranged for both girls and boys. Last year the trophy was won by the Freshman class.

ELIZABETH FLOYD IS VALEDICTORIAN

Elizabeth Floyd, who leads the graduating class at the Coronado High School, will deliver the valedictory at the commencement exercises on June 15. Desmond Turquand, who ranks second, will give the salutory address. An extensive program has been arranged for Commencement Day.

COUNTY HIGH SCHOOL SWIMMERS TO COMPET

The best swimmers from the Hig Schools of San Diego County are co ing to Coronado on Friday next compete in the annual county eve Tent City has been chosen as t scene of the struggle. Coronado bo are practising strenuously and hope carry off their share of the hono The first event is set for 2 p.m.

STUDENTS TO GIVE 'PEG O' MY HEART'

Miss Bertha Hawk, Coronado high school student, will appear in the title role of the charming three-act comedy, "Peg o' My Heart," which will be presented under the direction of Mrs. J. Leslie Cutler, Saturday evening, in the beautiful new theatre of the school. Elaborate stage and lighting effects have been planned. The cast consists entirely of senior students, most of whom have had previous dramatic experience under the direction of Mrs. Cutler.

By reason of many successful productions in the past, this school is attracting much favorable comment from local lovers of the drama, so that attendance from San Diego as well as from Coronado is always assured.

The cast of characters is:

Mrs. Chichester..Mildred Hammond
Ethel, her daughter..Ethel Flanagan
Alaric, her son..Desmond Turquand
Christian Brent...Gardner Kendall
Jarvis.....Dan Claire
Bennett.....Elizabeth Floyd
Mr. Hawkes.....Earl Pope
Peg.....Bertha Hawk
Terry.....George J. Lewis

Peg O' My Heart was the best play ever given - Bertha Hawk (Peg) was wonderful.

Coronado High School Theatre

High School Notes

School opened Tuesday morning after two weeks of vacation. The pupils and teachers are glad to get back to their work again.

The first assembly of the year was the first to be held in the new theatre. At this assembly George Lewis, president of the student body, took charge of the meeting and the students learned that a stage manager and electrician who would attend to the stage and its lights for this year were to be elected. Elden Dilley and Paul Brose were elected stage manager and electrician, respectively.

The dedication of the High School will be next Friday, the 12th. There will be a fine program and a large crowd is expected.

The Seniors received their pins and rings this week, and of course they are the best yet, of their kind.

The girls on the basket-ball team are under strict rules, as their training has begun. Nelle Anderson, captain, hopes to put out a championship team, and we all feel that she is capable of doing it.

The Coronado Girl Scouts have disbanded and with the money that they had left they purchased a pretty picture by Maxfield Parrish—"The Garden of Allah." Mrs. Elizabeth Sherman ,their scout mistress, presented it to the student body Tuesday morning at assembly. The students were delighted with the picture.

The School play, "Little Women," is progressing rapidly and will be put on in the new theatre Jan. 20.

Dan Clair, a member of the football team, who broke his ankle in the Escondido game, returned to school Tuesday morning, and was given fifteen cheers by the students, led by Maurice Goodbody.

Credit is due to Miss Marporie Young of the class of 1922 for the organization of the Alumni Association. The first meeting took place in the study hall two weeks ago Thursday evening.

There was a basket-ball game between the North and those who attend school outside of San Diego. A very fast game was put on, considering the practice they had. At the end of the game the score was a nine to nine tie, and the game was prolonged five minutes. The local boys made five more points, so the game ended in their favor.

After the game a meeting was held and the following officers were elected President, Claud Norris; vice-president, Elizabeth Anderson; secretary, Marjorie Young; treasurer, Ann Frosio. Executive committee: Leslie Young, chairman; Allyn McVey and Jack Young.

After the meeting hot chocolate and wafers were served in the domestic science room, then all adjourned to the oral English room to dance. About thirty were present.

quotations and other matter broadcasted by radio stations throughout the entire country.

Coronado High School Alumni Hold Meeting

Thursday evening, December 28, the Alumni members of the Coronado High School turned out in force at the school building. The first thing on the program was a very exciting basket-ball game between two alumni teams, North vs. South, the South winning 17-13.

The game was followed by a meeting in the new High School Building. Officers were elected as follows: Claude Norris, president; Elizabeth Anderson, vice-president; Marjorie Young, secretary; Anna Frosio, treasurer; Leslie Young, Allyn McVey and Jack Young, members of the executive committee.

Mr. Cutler addressed the members and offered his assistance and the use of the building whenever desired. Owing to Mr. Adams' absence, his message was read.

Refreshments were served and dancing was enjoyed.

The secretary wishes all alumni to notify her of a change of address. Her address is 833 I Avenue, Coronado.

At the **One-fourth Off Sale** of the Coronado Dry Goods Co., which will be continued for a few more days only, their regular stock is marked down, which consists of first-class merchandise. No goods are specially bought.

New High School Dedication Friday

New Building to be Formally Opened January 12th, at 8 p. m.. Mayor Harper, Dr. Humphrey Stewart, Austin Adams, Will Address Meeting. Everybody Welcome.

Next Friday evening, January 12th, at eight o'clock, Coronado is to witness an event of great import to the community. For many years the people of this Island have looked forward to the time when a new, adequate high school building would grace the town and provide educational facilities for the boys and girls.

For a long time there was nothing but anticipation, which became more concrete when the bonds were voted. Anticipation gave way to realization on February 22nd, 1922, when ground for the new building was broken. There have been delays and disappointments, of course, but to-day we stand at the completion of the finest monument to secondary education in in our vicinity.

The dedication exercises will take place in the Little Theatre, commonly known as the Auditorium, of the new High School building. H. Austin Adams, beloved of all school children, will be the principal speaker of the evening. Mr. Adams has thoughtfully and prayerfully followed the creation of the new house and undoubtedly knows more intimately than any other the elements which have gone into completion.

Short talks will be given by William E. Harper, Mayor of Coronado; Ada York, County Superintendent of Schools; and Harold Taylor, of the City Planning Commission of Coronado.

General J. H. Pendelton, on behalf of the Spanish War Veterans will present colors. The Masonic organization of the Island is desirous of presenting a reader's desk. If such can be procured the new High School will have a fine addition to its equipment.

Music for the evening will be in the hands of Dr. Humphrey Stewart, organist of Balboa Park, San Diego. Mrs. Harold Swan has been asked to contribute vocal music.

The program is open to the general public. An invitation is not necessary for attendance. The balcony will be reserved for pupils of the Coronado Schools and children generally. After the program the doors of the school will thrown open and all are invited to inspect and become acquainted.

The people engaged in school work thoroughly realize the significance of this occasion. It is hoped that all classes and organizations will unite in making the new institution a community success. Such an auspicious occasion comes but once in the lifetime of each one of us. Such an occasion may not come again in the history of Coronado. The school is the center of community life. It bears the burdens of to-day and tomorrow. It leads to development along intellectual and material lines. Coronado needs to be proud of her achievement.

High School Notes

The Little Theatre was filled to its capacity last Friday evening when the high school building was dedicated. The large attendance showed that the citizens of Coronado are much intrested in what we do and have. The classrooms were opened to everyone and there were many comments made on the excellent equipment.

Tickets are now on sale for the school play, "Little Women," which will be given in the Little Theatre Saturday night. West door open at 7:30. All be sure to come.

Several new students have enrolled during the last week and it seems as if we were going to have a good sized school some day in spite of ourselves.

The Senior play, "Peg O' My Heart" has been cast. Bertha Hawk has the lead as Peg.

Last Monday afternoon San Diego's 130 pound team played Coronado's 130 pound team at Coronado. This was the first game of the season, the result being 26-15, San Diego's favor.

The sewing class seems much disturbed about something. Perhaps it is because of the party that the science department is to give the school in behalf of the sewing department. Cheer up, girls, the science department is only waiting until sufficient funds are collected.

The basket ball players are trying very diligently to raise little mustashes with which to adorn their youthful upper lips. They are to remain until the first conference games are won—then the members will have the black streak removed from beneath their respective noses.

Lest you forget, the A. S. B. play is this evening at 8:00 sharp.

One Act Plays At High School Theatre

The little theatre movement throughout the country has become identified with the one act play. Indeed the plan of offering three one act plays as an evening's entertainment has been so steadily gaining in that it has been taken up by the professional theatre.

One act plays in vaudeville and, as additional attractions, at moving picture houses, have gained wide favor. The advantages of the one act play for amateurs are many, the chief being that a beginner can more easily sustain a short role, and that more pupils can be given the coveted opportunity for self expression. Besides this an evening of one act plays offers a variety to suit the taste of any audience.

The first play of the Junior entertainment for June first, is the "The Singing Soul," an exquisite Chinese story in an artistic setting. The story is from a collection called "A Hundred Examples of Filial Piety" translated from the Chinese in Lafcadio Hearn's beautiful tale "The Soul of the Great Bell." We find it again in "The Yellow Jacket" in the lines—"The great bells calls me." The bell maker cast it of pure gold and silver but its notes proved brazen. The Son of Heaven was supremely annoyed.

The bell maker recast it. When the metal was molten, to save her father's life, for fear it's notes would again carry bass tones, his daughter disposed of her body by springing into the mass of white heat; so her soul became of the bell, the metal welded with her spirit and it's tone was then one of harmony and love. The cast of this novel play is:

Kwan Yu, a mandarin of the Illustrious Ming Dynasty, Elden Dilley.

Tsi Moo, Myliss Foster, Ting Ling, Rosalie Moore, Ko Ngai, Nelle Anderson, the Mandarin's daughters.

Yen, a servant, Maurice Rodgers.

Yung Loh, Celestially August Emperor of Peking, Son of Heaven, Robert Morris.

Pao Chen, a student of the stars, Arthur Holmes.

The second offering of the evening will be "The Gift" a fascinating symbolic play with scene laid in a little town of Judea in the time of Christ. "The Gift" was first performed in New York City Nov. 5, 1920 with great success. The cast is:

Joel, a little lame boy, Arthur Jessop.

Huldah, the woman of the house, Dorothy Stephenson.

Malachi, Mathew Howard.

A Stranger, who is blind, Frank Reitzel.

Gabriel Junior Zahn, Martha, Merel Hall, neighbor's children.

"Joint Owners in Spain" will close the evening's entertainment. This popular comedy has been given hundreds of time with unvarying success, both in amateur and professional theatres. A smile and a tear lurk in every speech of it's life-like lines as the audience follows the joys and sorrows of the inmates of the "Old Ladies' Home."

The cast of characters is:

Mrs. Mitchell, a director of the Old Ladies Home, Colleen Pyke.

Mrs. Fullerton, Vyra Gawne, Miss Dyer, Irva Gawne, Mrs. Blair Viola Tatum, Inmates of the Home.

MISS DOROTHY BANDEL

Popular Coronado girl who died at her home 1050 Isabella Avenue at 7:30 o'clock Wednesday morning September 26th.

Coming as a shock to her many friends is the sad news of the death of Miss Dorothy Bandel last Wednesday morning at her home, 1050 Isabella avenue.

Miss Bandel, who was born and raised in Coronado, leaves many friends to mourn her loss. On June 6, last, she sustained severe injuries in an automobile accident from which she never fully recovered, ultimately resulting in total paralysis which caused her death.

Dorothy Bandel was an active member of the community, a faithful church worker, member of the choir of the Presbyterian church and teacher in the Sunday school. She graduated last June from the Coronado High School, having maintained a high record for scholarship during her entire school career, as well as having participated in many school activities. Her exquisite portrayal of "Beth" in "Little Women," a dramatic production, given by the High school last year, will be remembered by all whose hearts were touched that evening by her sweet personality. Miss Bandel manifested unusual ability in oral art and many times ably demonstrated her love for this work before Coronado audiences. It was her ambition to return to Coronado High School this year to do post graduate work, specializing in commercial subjects and oral art.

Her father, Louise C. Bandel, is head gardener for the City of Coronado, and a member of the fire department.

Besides her father, she is survived by her mother, Mrs. Ida Bandel and her brother Kenneth W. Bandel.

The young people of the High school lowered their flag to half mast as a mark of respect and love to the parents and to their school mate, Kenneth, upon whose shoulders has fallen the task of filling the place in school, home and community left empty by Dorothy.

Funeral services will be held at the Graham Memorial Presbyterian church this morning at 10 o'clock. Interment in Greenwood Memorial Park.

CORONADO HIGH SCHOOL

—Presents—

"MERELY MARY ANN"

8 o'clock p. m. — Admission 50c

All Stars Will Play High School Nov. 21st

The annual football game between the Coronado All Stars and the Coronado High School will be played at the Polo Grounds Wednesday afternoon, November 21st at 2:30 o'clock.

In the lineup of the Coronado All Stars will be found business men of Coronado who are "has beens" in the football world, the majority of whom have been out of the game for a number of years. The squad which includes a few of last year's high school players is as follows:

Half backs: E. Alcaraz, Gardner Kendall, Al Chenoweth and Ensign Logan. Guards: Edgar E. Webb and Charles Sawyer. Tackles: Leslie Young, Mike Verdusco and Mark Madden. Ends: Jack Alcaraz (Capt.), Jimmy Lyons and Percy Corrin. Centers: Cecil Rhodes and Norman Strumn. Quarter backs: W. C. Moeser and George Calhoun. Full back: Pete Glyn, (manager), Eugene Estoppey, tackle, T. Cole guard.

The team's colors are "black and blue."

The fact that both teams have been going through hard practice for the past two weeks is an indication that a hard fought contest will be played. The all stars are certain of regaining their good reputation as football players, which the High School boys took from them last year with a score of 27 to 7, while the High School boys state that it will be an easy matter to beat the "old men."

[illegible] will be turned over to the high school athletic fund.

If you are in line to have a good laugh, and want to see what a bunch of youngsters can do to some old men who think they can still play football turn out and see the game.

Mr. W. E. Harper, President of the Board of Trustees will in all probabilities open the game by making the first kick-off. A band will be on hand to furnish entertainment for the spectators between half and quarters and also will play appropriate funeral marches, etc., as some of the old timers are being carried off the field. The city ambulance and a corps of doctors and nurses will also be present to render such asssitance as the "has beens" may require.

A nominal admission fee of twenty-five cents will be charged, and the proceeds will be turned over to the high school athletic fund.

BRIGHT CLASS DETAINED

The English IV class consisting mostly of brilliant Seniors, was compelled to stay after school until four o'clock on November fifth because they did not know the meaning of the word "Maw" as Shakespeare used it in Macbeth. Now the word "Maw" to the average American student is an inelegant and favorite form of the word mother. Some one suggested this to the teacher and received a look of deep scorn and pity and a "5" in the grade book. The class remained in deep thought for the space of two long seconds--- then one well-known Senior's face lighted with the dawning of a bright idea.

"Why "Maw" means mouth!" This bright remark merited not only "5" but a twenty minute oration on the habit of High School pupils who bluff thru their work.

Finally the teacher with much ppatience and pity in her eyes, took off her sweater, rolled up her sleeves and told the class that the word, "Maw" as used by Shakespeare meant "stomach!" The class as a unit took a deep breath and then remarks floated around to this effect-"Why of course!" "Sure!" "Oh, I knew that!" "Gee, I'm dumb." The Senior who had said it was "the mouth" announced wittily, "Well, it's all along the same track."

Consequently our beloved Seniors were compelled to remain until four o'clock in an effort to become spiritualist so they can raise old Shakespeare from the dead and get all the data on his changing of the English language.

Coronado high school should win the fight for second place from Grossmont by a margin of six points at Coronado today. Not only because of their previous meeting ending in such a difference, but also because of scores turned in by each team against the other teams in the conference.

While a Coronado victory clinches second place, Grossmont will still have to face Sweetwater. Thus, if Grossmont wins, it will probably finish the season in a tie with Coronado for the runner-up position.

Floyd, one of Coach Clyde Cook's best players, is playing his last game today with Coronado high. The star tackle is moving to Long Beach next week. What is Coronado's loss is the "Jackrabbits'" gain.

In the other game, Coronado had no difficulty in winning from Escondido, 58 to 7, it being the largest score chalked up this season.

Coach Cook sent in a number of substitutes late in the game and Escondido scored in the last few minutes of play.

Bill McCreery and Dilly each made two touchdowns, while Goodbody, Newcombe, Burt, Smith and Lyons made one each.

High School Notes

Last Friday we whipped Escondido soundly on their own grounds to the tune of 46-0. However, they took it sportingly and gave us a fine supper after the game. Next Friday we will play the decisive game of the conference with Sweetwater at Sweetwater. They beat us here but since then the Coronado eleven has picked up the necessary "pep and punch" and make it all up. We hope the people of Coronado will turn out to see them do it.

The Girls Club has been working day and night for the past two weeks in order to put on their annual "High Jinks' 'on Friday the second, of November. Afterwards there will be dancing and the whole program promises to be a huge success.

Thursday and Friday we receive the reward of our labor, or rather the reward of our merit system. Those obtaining seven merits are excused from the quarterly examinations and as these examinations take place on Thursday and Friday the lucky ones were given a two day vacation.

There was no student-body meeting because of the examinations on Thursday.

Our brilliant (brains as well as sweaters) Senior class is starting a school paper. With the co-operation of the whole school we hope to make it a worth while installment to our institution.

Three years ago the Coronado High School had a school paper! What became of it? Nobody seems to know--or care.

Students, you now have a paper which you can call your own, "Society is what the individual makes it." That applies to this paper as well as to society.

If you want to help the Coronado High School make a success of this paper, do your share and a little more.

Ask yourself, "If everyone were like me, what kind of a paper would we have?"

Remember, the success of "The Echo" rests with you!

GIRLS' ANNUAL HIGH JINX.

The Girls' Club Annual High Jinx given on the evening of November the 2nd was a complete success in every way. "The Successful Operation" with it's side-spliting jokes, the Chorus with it's snappy action and costumes, the "Ages of Women", with it's pretty girls and clothes, the Spanish scene with it's beautiful lighting effects and stunning costumes, the "Babes in the Wood", with it's pantomine, the beautiful violin solo, "The Ventriloquist" stunt with it's weird noises and the "Medley" with it's contrasts of music and words all contributed towards making this first dramatic effort of the year a howling success.

The committee for the High Jinx consisted of Viola Tatum (chairman); Myliss Foster, Nelle Anderson, Gladys Craft, Nona Norris, Eleanor Reynold and Martha Farnum. Much credit is due the committee for putting thru the performance.

May: Would you wear a rented bathing suit.

June: It depends where the rent is.

Sweetwater won the first League game 14-13.

We won our second league game from Grossmont. In the last half with the score 6-0 against them the boys came back strong and made two touchdowns to win, 12-6. Captain Dilley and D. Hale scored our points.

At Escondido the subs had the day. Coronado won 46-0. Nineteen boys played in the Escondido game.

Those who did not see Coronado play Sweetwater missed a real game. Coronado lost by one point but Sweetwater knew they had tackled a team with a fighting spirit. But the fighting spirit was not noticeable until the second half with the score 7-0 against Coronado. Dilley scored for Coronado.

The students are showing a real school spirit in their support of the team. Some pupils going to National City by street car and walking about two miles to the school.

Three or four boys went to Sweetwater on their, "bikes" and they traveled to Grossmont the same way.

The Alumni can always be depended to have representatives at the games. Leslie Young a member of the class of '19 gets out and scrimmages with the team.

Many residents of our city attend the games and it has its effect on teams. It shows both our own and our opponents team that the city is behind us.

To the students we can only say, "Keep up the good work," and to the Alumni and Citizens, "We thank you for your generous support.

FOOTBALL TEAM ENTERTAINED

On the evening of October 20th most of the football team were entertained at a dance and party given by a group of girls at the Hotel del Coronado. This was given in honor of the team winning the Grossmont game that day before.

Every one danced at the Hotel until ten thirty when they left to meet at the home of Ruth Garrison where delightful refreshments were served, games were played and songs sung.

This party had been promised the team after the Sweetwater game as an incentive to get in and work in order to win the Grossmont game.

The chaperons were Mrs. Garrison, Colonel and Mrs. Giles Bishop and Mrs. Reynolds.

JOKES

L. Dilley, that high and mighty individual, has at last received his much longed for Rolls-Rough!

Gladys Frederick, much to her surprise was exempt from the quarterly tests! "Furrah" for Gladys.

Seniors, are asking Mr. Norris if there is any kind of a solution that will preserve wool! (I wonder what the joke is.)

Percy Corrin claims he should have gone to a barbers college, instead of high school. I wonder why?!?

Notice the smiles on "Pookie's" (cutie's) face? But pay no attention to Jim McCrory's frowns.

Heard in History IV

Mr. Cook: What river did the first Steamboat go up?

M. Goodbody(startled): The one containing water.

Miss B.: Who was Homer?

Billy Mc: He's the guy, Babe Ruth made famous.

Inez: What does that chap play on the football team?

Catherine: He's a drawback, my deara.

WANTED A LAW SUIT

There are rumors abroad that this years Commercial Law class is a world beater!

Many arguments arise as to which is the better class, last year or this year.

Therefore, any one who fin a law suit, please notify Mr. Norris.

BIG ACCIDENT

Russell McDonald, was arrested for breaking the law!

On Friday (of course, it couldn't have been any other day) Nov. 3, at six o'clock, Russell was returning from the Sweetwater game with a car load of very dignified looking football players. When all of a sudden up from the depth of---- came a "speed cop!" Good Night Ladies, was the thought in ever players mind, but the cop just handed, faithful Russell, a sli of paper, and the team arrived i Coronado, in time for the High Jinx.

What did the speed cop say Ask Russell.

Huber C: The Seniors aren't what they use to be.

Marucc C: How's that?

Huber C: They use to be Juniors.

Coronado high school should win the fight for second place from Grossmont by a margin of six points at Coronado today. Not only because of their previous meeting ending in such a difference, but also because of scores turned in by each team against the other teams in the conference.

While a Coronado victory clinches second place, Grossmont will still have to face Sweetwater. Thus, if Grossmont wins, it will probably finish the season in a tie with Coronado for the runner-up position.

Floyd, one of Coach Clyde Cook's best players, is playing his last game today with Coronado high. The star tackle is moving to Long Beach next week. What is Coronado's loss is the "Jackrabbits'" gain.

The lineups:

Utility—Grossmont: Fear, Applestil, Upp, Frost, Aguirre, Russell, Busch, F. Smith. Coronado: Newcombe, Green, Muirhead.

Referee—Landreth.
Umpire—Davis.
Headlinesman—Blair.

In the other game, Coronado had no difficulty in winning from Escondido, 58 to 7, it being the largest score chalked up this season.

Coach Cook sent in a number of substitutes late in the game and Escondido scored in the last few minutes of play.

Bill McCreery and Dilly each made two touchdowns, while Goodbody, Newcombe, Burt, Smith and Lyons made one each.

High School Notes

Last Friday we whipped Escondido soundly on their own grounds to the tune of 46-0. However, they took it sportingly and gave us a fine supper after the game. Next Friday we will play the decisive game of the conference with Sweetwater at Sweetwater. They beat us here but since then the Coronado eleven has picked up the necessary "pep and punch" and make it all up. We hope the people of Coronado will turn out to see them do it.

The Girls Club has been working day and night for the past two weeks in order to put on their annual "High Jinks' 'on Friday the second, of November. Afterwards there will be dancing and the whole program promises to be a huge success.

Thursday and Friday we receive the reward of our labor, or rather the reward of our merit system. Those obtaining seven merits are excused from the quarterly examinations and as these examinations take place on Thursday and Friday the lucky ones were given a two day vacation.

There was no student-body meeting because of the examinations on Thursday.

Our brilliant (brains as well as sweaters) Senior class is starting a school paper. With the co-operation of the whole school we hope to make it a worth while installment to our institution.

SWEETIES AND CORONADO WIN

League Leaders Defeat Grossmont High, 21 To 0

COUNTY CONFERENCE

Team—	W.	L.	Pct.
Sweetwater	6	0	1.000
Coronado	4	2	.666
Grossmont	2	4	.333
Escondido	0	6	.000

✧ ✧ ✧

Unveiling a number of new plays, Coach Herb Hoskins' Sweetwater gridsters closed the county conference season yesterday with a 21 to 0 victory over Grossmont. Coronado handed Escondido High its worst defeat of the season, 58 to 7.

✧ ✧ ✧

From now on Sweetwater's activities will be confined to playing for the Southern California prep championship.

Porter played a great game for the Sweeties, with two touchdowns to his credit. Schraeder tallied once on a Grossmont fumble behind the goal line.

✧ ✧ ✧

Coronado High school will play the Coronado All-Stars next Wednesday afternoon on the polo grounds at 2:30 o'clock. The All Star team is composed mostly of former high school gridders.

The transbay team had little trouble scoring on Escondido. McCreery and Dilley each scored two touchdowns, and Goodbody, Newcombe, Burt, Smith and Lyons made one touchdown apiece.

Escondido's score came in the final quarter against the second Coronado team.

In football Coronado High has not been successful. Last Friday we played Sweetwater on their field. The score was 7-6 in their favor. Coronado has lost the championship of the county but intends to get second place if possible. Grossmont High is also out for second place so Coronado expects a hard battle this coming Friday. The game will be played on the Polo grounds, Coronado.

The Girls Club Jinx last Friday night was a success, not only as a splendid performance, but also financially. The receipts so far show about sixty-five dollars. The Girls Club certainly appreciates the support of Coronado people and hope they will turn out for all the High School performances.

The cast of "Merely Mary Ann" is working hard on the school play. They hope to have it ready to be put on by the end of November. More will be written about this later.

The orchestra is also getting in splendid shape. Much to the delight of most of the members. They are learning to play jazz. Coronado has quite a treat in store for it.

The assembly was given a treat Thursday morning by Ruth Ingle. She told the story of Adam and Eve. It was told as if to an audience of small children. Ruth Ingle is a newcomer to Coronado but she has shown she has a great deal of ability. Her rendering of the story was artistically and dramatically done. Coronado is very glad to have so talented a new student.

"Merely Mary Ann" To Be Given By H. S.

"Merely Mary Ann" is the play chosen for presentation by the student body, the cast being recruited from all classes of the school. This clever comedy by Israel Zangwill has no dull moments, but tells its tender story in fast moving, sparkling lines. Elaborate plans for its production under Mrs. Cutler's direction are being perfected. The large cast of nineteen character carefully chosen and trained for their roles, furnishes a diverting variety of impersonations. We believe that many people who ignore these amateur productions of our school miss more than they realize. We have professional equipment in lighting and scenic effects, large comfortable seats, every seat a good one, fine acoustics, all contributing to make our little theatre a place of comfort, refinement and delight. To be sure our performers lack professional experience but they more than make up for this deficiency in youthful charm and enthusiasm. Indeed many of our patrons have repeatedly told us that they enjoy our plays more than those by professional actors.

Our beautiful new window draperies and draft curtains for the foyer, now being made by the Bledsoe Company, will be in place for this occasion, greatly enhancing the beauty and comfort of the theatre.

May we invite you to spend an evening right here in Coronado's lovely civic theatre, where youth and joy are paramount? You will delight to follow the fortunes of poor little Mary Ann, that Dickensesque character as portrayed by youth and talent in the personality of Miss Inez Cridge. You can't afford to miss it. Watch for the date to be announced soon.

THE GREAT SORROW OF THE ENGLISH III CLASS

The third year English class was deeply grieved on Nov. twenty-seventh over the absence of their star fellow-student, Matthew Howard. In fact, the sorrow was so great that the teacher decided that the only form of a lesson that would harmonize with the dispositions of these sorrowing students would be to scan poetry So the illustrious and usually merry class poured forth their laments and wails to the tune of iambic pentameter.

It is believed that the reason for Matthews absenting himself that day was a severe nervous break-down, due to excess talking and indulging in "juvenile didatics." We are glad to see that Matthew has recovered from this disasterous disease.

Mrs. Cutler is planning to give, sometime, a free entertainment for the public to show what the students have accomplished. Besides a number of interesting and entertaining slections, each class will be represented by a one-act play. The first period class will give, "Mrs. Oakley's Telephone" which Martha Farnum is directing. The fourth period class will give "The Man who Came Back," which Gladys Craft is directing.

"Aren't they beautiful!" "Aren't they gorgeous!" "Aren't they perfectly exquisite!" Such remarks and many other similar ones have been heard among the students. No, they are not, commenting on some of the girls new bracelets, but on the beautiful new draperies in the auditorium.

One will have to travel a great distance before they will find a High School that has such a beautiful and artistic theatre in it certainly is something that we all should be proud of.

A meeting of the Honor Society of the School was held during the last week of November and officers were elected. The officers for the year are---

President---Martha Farnum
Secretary---Marwood Donald

The Faculty are going to entertain the members soon and all of the students will wish they were members before they know it.

Football season is now a thing of the past, basketball training is in full swing! Our football team, has upheld the honor of the Coronado High School, but it was only through the hard work of the coach and the team, combined with the best student body support in the county. The school is proud of the way our boys took their only defeats at the hands of Sweetwater.

Now comes the big question. Are you, students, going to give the basket-ball team your support? Forget yourself and help uphold the "Honor of Coronado High."

The staff, takes this little space, to thank Chester Alcaraz for his writing handed to the Editor-in-Cheif of the "Echo"! Good work Chester

DEPLORABLE CONDITION

The "Sunny California" weather which we had at the first of this month, evidently did not agree with some of the Freshmen. From certain symtoms such as draping themselves, more or less, artistically over their desks, and hopelessly chewing pencils and pens, it appears that they are teething.

This shows the sad need of sanitary conditions in C. H. S. when little children are compelled to chew pencils and pens, that are absolutely covered with unseen crawling things, to quiet their nerves.

We would sug est to the school board, that in the future as an emergency in case Coronado is favored with more exceedingly warm weather, that they have more sanitary means of soothing their irritable gums

The school play "Merely Mary Ann" came off Friday, December 14, with great success as has always been characteristics of the dramatic performances of C. H. S. Our beautiful theatre with its exquisite new draperies was filled to capacity.

We should be very proud of the members of the cast for putting on such a successful performance.

SENET SENIOR STORY

The Orioles are sprouting their wings. Haven't you noticed us flighty Seniors trying to behave?

A great discussion came up as to the seating arrangement.

The suggestions were very intellectual, showing deep thought had been put upon them, we are printing a few----------
First some one thought we should sit--a good one, then a wicked one--but that fell through. Who was there who would presume to say who was bad and who good in the Senior class? Art(Sherlock) spoke up, with, "We're not babies anyhow, to be SAT that way."

Then the second suggestion was "Seat us a boy, then a girl." But Eleanor asked "What do you want this to be, a free for all?" And other objections were expressed. Some of the boys saying their mother's wouldn't allow them to sit next to girls in school, so that plan was dropped.

Then a very original scheme of arranging us alphabetically was brought up. The girls "Lowered the boom" on this, Inez saying she couldn't sit next to anyone whose name began with a D. and Nelle said her hands would freeze if she sat next to the aisle. So we passed that up. Then after a few wise cracks from various members such as, "Let's all stand up," or "Sit on the floor, etc. the old Spirit of '24 asserted itself and we agreed that the best plan would be to each resolve to help the other fellow and ourselves in class rooms as well as assembly, and in this way set a good example for the under class men.

What happened to the four Seniors who were supposed to go to prayer meeting on a certain Tuesday? They certainly didn't turn, up, and--

We understand that it is Gladys' ambition to learn to dance well, so that Arthur Holmes can dance with her. It seems that Gladys loves to dance with nice tall boys like Art.

Great was the demand among certain female students for an overnight course in the Italian language when it was rumored that we were to have a distinguished count, or duke (or what ever it is they have in Italy) in our midst. He's here and although he is not a count and has no title, he is well versed in several languages (and to Mrs. Cutlers' delight does not murder the English language.) We hope that Stephano Nevano, will soon get used to his nickname,

"The Count."

Al saw her stepping from a car,
And up to her he sped
"May I not help you to alight?"
"I do not smoke," Ruth said.

Myliss: "I get a haircut every week."
Irva: "How long will it take you to get them all cut?"

One day, as I chanced to pass
A beaver was damming a river
And Alexis I. who had run out of gas
Was doing the same to his flivver.

Billy Mc.: "May I call you "Revenge."
Mona: "And why, may I ask."
Bill: "Because "Revenge is Sweet"
Mona: "Then I'll call you "Vengeance."
Bill: "Why?"
Mona: "Because "Vengeance is Mine."

Bob: "Sure do."
Kitty: "Then why doesn't your chest go up and down like the man in the movies. "EH!"

The old fashioned school girl felt disgraced if any one saw her petticoat.
The modern school girl feels disgraced if any one thinks she wears one.

H.D.: "Why did you come out here?"
H. C.: "To look at the moon."
H. D.: "Then lets go back and dance."

Nelle: "Percy, dear, am I the only girl you ever kissed?"
Percy: "Yes indeed I only learned the other night from a Radio lecture I overheard."

Pat: "Where did you come from?"
Mike: "Ireland Pat."
Pat.: "Then you are Irish.
Mike: "No! I'm an American.
Pat: "How's that didn't your father and mother come from Ireland?"
Mike: "Yes, but if a cat had kittens in an oven they wouldn't be biscuits would they?"

Clyde: "Fat is justly entitled to the leadership of the drug store cowboys.
Marguerite: "How did he win his spurs."
Clyde: "He hopped on his favorite mount this afternoon and stuck to it till he had consumed four ice cream sodas, and an orange phosphate and three assorted sundaes.

How could he go and leave me thus?
Have I been aught but kind to him?
Have I not treasured and caressed
And worked and played with him?

Perhaps I made him work too hard,
And He's walked off at last,
I'd hoped that they meant much to him-----
Those hours together in the past.

He's gone, I guess, for ever more,
Where to, I do not know;
Another girl may have him now-----
How could he leave me so?

To think how much he meant to me,
To think of that, and then,
To leave me in this hour of need,
As did he--my fountain pen.

It might even by necessary for the players to have their hair cut short to eliminate any hair pulling contests and "time out" due to loss of hair-pins.

To prevent the loss of that school girl complexion by being stepped on, the contestants might play barefooted. Of course they would be permitted to wear gloves.

The Girls Basket Ball team is in full progress, and it is causing much enthusiasm among the girls, as to who shall be on the team. The rules for training are to go into effect right after the New Year by the Capt. Myliss Foster. They are to be more strict than last year. It is rumored that a ban against "Smoking," will be the first rule.

The boys interclass Basket-ball championship for the year 1923-24 was won by the Senior boys. This is the second championship for the same boys. In '22 they won by defeating the Seniors in the finals. The Seniors and Juniors both defeated the Freshmen and Sophomore teams. The Senior boys who played last week were Chas. Smith, Harry Burt, Elden Dilley -lexis Lyons, Art. Holmes, Maurice Goodbody and Percy Corrin

High School Notes

Dearest Fancheon:

I am sorry I didn't get a letter to you last week, but in the rush of examinations and other things I lost the one I started. But never mind, I have just oodles to tell you this time.

Just imagine, there are twenty-eight new pupils in school and they all came in yesterday. Now I just know we will have to build a new addition on our school. You see the big rush is all on account of the grammar school having mid-year graduations.

Mr. Shoemaker has been going over the attendance records and has found that our school has increased forty-three pupils over last year. This will certainly show you that Coronado is growing. The total enrollment is now 202.

The upperclass men took all the new boys out side and ran them through the spanking-machine, composed of hands, feet and anything else the "spankers" could find with which to initiate the poor Freshmen. Each Freshmen was requested to get up before assembly and make a short speech. Most of them were rather brief but they will have another chance soon.

Leaving the subject of Freshmen, the Girls Athletic Club is going to hold a candy sale right after school today. It's good candy because the girls made it themselves, and if you don't think old fashioned fudge is good, just try to eat some. It will cost you only a dime, and what is a dime in our young lives?

Grade cards also come out today. Seems as if everything comes at once. But that's always the way.

Speaking of things coming on, you should see and hear how fast the Senior play, "Dulcy" is progressing. Mrs. Cutler feels quite elated because the cast is going over the play for the second time and nearly everyone has his lines learned and this is only the second or third week of play practice.

You really should see Maurice Goodbody, the leading man, going down the street waving his hands frantically in the air. He's only learning his lines. And as his business enterprises are hopelessly muddled up by his well meaning, but rather "flabbrgasted" wife, (of course, you understand this is all in the play,) it accounts for his violent gestures.

The play on the whole is a scream from start to finish. And Nellie Anderson, taking the part of the wife, "Dulcy," portrays to the letter some wives in real life. You know the kind I mean, one of those who just know they could help dear Henry put that big deal over. They usually put it over flat on its back.

There are quite a few new members in the honor society this quarter. The society of last quarter had a dandy picnic lunch down on the beach.

Well, I really must close for this time, I'll have a lot more to tell you if I stop now,

Yours,

RUTH.

Basket Ball Team Makes Clean Sweep

Last Saturday Coach Clyde Cook's Coronado basket ball team won all four games from Fallbrook, on the latter's court. The varsity game was hotly contested, but Coronado "high" came out on top, with a score of 20 to 17. Coronado won all the other games with ease.

The 130s had an easy time. winning 17 to 5; while the lightweights did even better with a score of 28 to 8.

The girls team, which was playing its first game, made a remarkable showing, chalking up a winning score of 28 to 8. The lineup of the girls team was: forwards, Viola Tatum and Nellie Anderson; centers, Martha Farnum and Mona Norris; guards, Eleanor Reynolds and Cathleen Berry; utility, Myliss Foster, Catherine David and Vera Eukeneskie.

There are a number of students at the Coronado High School who have received the highest honors the school can bestow upon them. By hard and faithful work, exemplary conduct and prompt attendance they have attained these high honors. They are a credit to the school.

These students are Barroll Anderson, Nellie Anderson, Martha Farnum, Catherine Crose, Arthur Jessop, Marwood Konald, Paul Brose, Maurice Rodgers, Evelyn Halliday, Stefano Navone, Gladys Craft, Virginia Jefferies, Ruth Garrison, Cynthia Stanton, Billy McCreery, Leo Hansen, Junior Zahn, Virginia Bishop, Frank Blackman, Agnes Ellinger, Dorothy Stevenson, Ruth Ingle, Mona Norris, Beatrice Rankin, Gertrude Tammany, Vera Ukenesky, John Brose, Kenneth Bandel, Walston Brown, Katherine David, Louise Finney, Mercedes Gates, Richard Goodbody, Robert Hemming, Edith Jessop, James Smith, Katherine Welsh, Ruth Yates, Dorothy Allen, Jeanne Weir, Irene Dezotel, Edith Laing, Seymour Owens, Rosamond Snyder, Elena Whiley, Laura Whiley, Mary Elizabeth Davis and Horace Tatum.

These merits are given to these different students for service rendered to the school or for its good. In number, the Honor Society is gaining faster than expected and it is an honor to be a member of it. Another good point of the system is that since its principles have been put into practice, the average attendance of students has increase from ninety-four percent to nearly ninety-nine percent. And everyone knows that regular and punctual attendance helps greatly in the progress of the students. The Coronado High School may well be proud of the Merit System adopted by the student body this year. Never before has there been such a high standard of scholarship as has been shown during the past quarter. Never before has there been such a high percentage in attendance and punctuality.

Coronado Teams After County Basketball Titles

Here are Coach Clyde Cook's Coronado High school basketball team that are trying for the county conference championship. Dearest Faucheon:—

Sure and begorra how are you this foine day? Oi mesilf am foine and dindy.

Really, there's nothing wrong except that we are having Irish dialect in Oral English now and there's nothing like practicing on one's friends. I'm sure you won't mind. One would think the whole of the famous St. Patrick country had arrived in school. Viola Tatum and Inez Cridge are the shining lights for Irishmen or rather Irishwoman, maybe that's why Viola is called "Spuds" by everyone.

Yesterday, Captain Taylor came and spoke to the Student Body. His talk was on "Responsibility." Isn't it strange how responsibility will change the habits and oftimes, character of the person on whom it falls? Captain Taylor gave us a few examples to illustrate his talk. We sincerely hope he will speak to us again soon.

You really should have been here Friday night and attended our "Co-Ed" Ball. It was a grand success. You see, the girls in the upper classes invited the Freshman girls to come with them. As the ball would have been rather uninteresting without boys the upper class girls dressed as boys. Games were played and later dancing was enjoyed around the foyer of the theatre. And just think! I actually ran into a couple in a dark corner! I must say some people have a powerful imagination.

Delicious refreshments were served later in the evening. Mrs. Cutler, Miss Baumgartner and Miss McNeil chaperoned the ball. We were also favored with a delightful impersonation by Mrs. Cutler.

This Friday the basketball teams are going to play Sweetwater High School. The boys say this is the hardest game of the season but we will always bet on our boys. And just listen—Saturday morning, bright and early, the Junior class is going to escort the Senior class on a picnic. It's the custom for the Juniors to either give the Seniors a party or treat them in some way so it was decided to have a picnic. I'm sure every one will have a grand time.

"Dulcy," the Senior play is coming on beautifully. In fact the players are falling into their parts wonderfully. Anyone would think so had they heard Nelle Anderson say "Oh here comes my husband" as Maurice Goodbody popped into view the other day.

Under Mr. Swan's expert supervision, the stage settings are being completed in a professional manner. The audience is due for a surprise when they see the play.

Should you imagine there's not a long haired girl in the Senior class! But nevertheless short hair is much better when it comes to studying. One can study later at night and get up later in the morning!

Mr. Norris says he is positive that some of his chemistry class had better start burning a bit more of this so called midnight oil. We quite agree with him but with all our five different studies we would run out of oil. However there's lots more to buy so that's no excuse.

The Industrious Juniors

Great was the excitement among the English III students when the instructor of that brilliant group of Juniors, with a few Seniors scattered here and there to add variety to the monotony of the scene, rose from her seat and solemnly announced that in order for her to determine who should be the fortunate ones to be exempt from the final test, it would be necessary for them to pass an examination on those illustrious, and less brilliant ages of literature. Immediately thru the class there rolled a wave of deep despair and gloom.

It was a sad sight to behold those distressed students pass thru the gates of that famous "Room 5." To think that so few words could have such a great effect.

During the wee small hours of the morning of the day for that terrible trial, the whole city shown as at noon-day from the rays of light streaming from the room on the many English III students. Occasionaly could be heard the terrific slaming of "Long" English literature," accompanied with the sigh, "THANK Goodness! that's over."

The Juniors for some unknown reasons will not inform us as to the results of there untiring, earnest labors, so if your curiousity has reached the point where you really must know why------ try and find out.

Is their any student in this High School with a mind so brilliant thet they can determine who that member of the honorary faculty is, who when in fits of rage indulges in cave-manish tactics such as hurling missiles in the forms of Latin books at his humble students, or who, when in calmer, less immature mood finds it necessary to carry a bottle with him?

MASCOT DEAD

We are sorry to announce the death of the Basket ball Girl's Mascot, Micky Farnum. Poor little Micky had paralisis and it was necessary to chloroform him. Every one who remembers him can easily sympathize with Martha over the loss of her pet.

EDITORIAL

With the Basket Ball Season here we feel a need to ask a question---of ourselves--Do we play just as hard when we know that our team is losing as when we are winning? Do we put the same amount of push on the ball at the end of a game when the score is all for the other side? Or do we fumble around, making spiritless attempts, thinking, "Oh well, the other side's just lucky they've got a "Dead-Eye Dick" playing forward and how are we expected to beat him?"

Naturally, we all like the admiration of the crowd who watches us play and just as naturally the crowd admires a winner---but, more than that they admire and respect the player who, in defeat, fights on with undiminished courage to the end---win or lose. And at the end is a good enough "sport" to give his "Rah! Rah! Rah!" for the victors.

Thus endth the second lesson or in other words, here ends the second grading period. From the looks of some of the faces of those who are gently, but firmly, requested to take the tests, they are none too happy about it.

"Get out of my way."
"Move over please."
"Say! this isn't a football game."
"Is my name up there."
"Just look at that, wait till I get Miss Baumgartner outside! Gr-r-r-r!"
"Say! Mr. Cook how come I get a demerit in History IV?"

These and numerous other remarks were passed among the members of the different classes around the Bulletin board this noon. The main cause was the list of pupils who were not exempt from semester tests.

The first period Oral English class is minus four members. Mrs. Cutler requested them to leave so that they would have more time to study on the Senior play "Dulcy." Those eliminated from the class were Martha Farnu Nelle Anderson, Catherine Crose, and Harry Burt

The Senior Basket-ball team walked off victorious and with the banner, in the Interclass series this season. They seem to have a fine team, but some of the other calsses have just as good material that hasn't been developed as yet.

However we are waiting till next year, when the other classes will have a chance.

The girls played a game against a team from the Y.W. The Coronado girls won the game by a score of 20--5. This brightens the prospects for this years girl's team and we know they will work their hardest in an effort to win the championship for the Coronado High School.

Will the boys keep the rules as well as the girls? We shall see! Remember then--bet at 9:30, no candy, no smoking and no strong drinks like "Soda Pop" and "Hooch".

Coronado carried off all four games at Fallbrook on Jan.25. The Boys Varsity, the 110, the 130, and the Girls game. We have high prospects in view for the Girls team as they won the Champs of the County last year. And we wish our Best Luck to all the Boys Teams.

Since the beginning of vacation our boys' basket ball team has played five games. The boys used their signals to advantage. There has been good team work and none of the "one man team" playing. Mostly during the games the ball was in our opponents territory. But just at the right moment Harry, or Dilley, or Fat, did the trick.

"Bony leg of Ceaser
"Ino ago forte miles in a dux bellic."
"I may go forty miles in a ducks stomach"
Golley what a duck.

She saw Art. Holmes stretch his anatomy, plus a chair, to the ceiling of the study hall and remove one of our Basket ball pennants from the said wall at that particular point--Now Sherlock get busy and find out where that pennant disappeared too, this is getting serious.

Mrs. Cutler: "Leslie, wake up, there are burglars in the pantry stealing the pies I made today."
Voice from the deep: "Let them have the pies long as they don't die in the house."

Miss Annabelle Rebecca Violetta Moore's hair is now parted on the side owing to the loss of her left shoe.

Miss Henrietta Julian Morning-Glory Ellinger wishes to announce that she will be more attentive in Chemistry owing to the recovery of a wooden leg.

You know--it's awfully queer to me where and why some of the books we use in History Iv disappear to. The funny part about it is, they are the books we need mightly. Mr. Cook says he is going to get out a search warrent for some of them. Of course we understand perfectly that the said books weren't taken by any one who happened to be supposed to use it, but it went anyway.
The only way we can remedy this serious outrage and offense is to have the Reports cancelled. Mr. Cook will please take notice. Ahem! !

Does Coronado Want a Playground? Trustees Ask

Special Meeting Passes Parking Ordinance; Lays Over Billboard Ordinance and Takes Up Matter of Municipal Playgrounds

For the past few months, the question of whether or no a $20,000 bond issue for a community playground should be put on the ballot at special election, to be held at the same time as the next regular election has been coming up with great regularity at th trustees meetings.

On last Monday, the trustees frankly expressed themselves in a quandry in the matter. Do the people want a playground? The trustees do not know, and are frank to say so. City Manager Allen stated, that there is at present, no place on the island where football and baseball could be played and that he believed that there should be some such place provided, but that the people were the ones to decide.

The trustees would be glad to hear from anyone who is interested, and every citizen of the island should have some opinion. It is getting near the time which the preliminary moves for placing the question on the ballot must be taken and any expression of opinion will be of value in the matter.

The city has been offered block 105 for the sum of $16,000 and it will require $4,000 additional to equip it. The purchase would only increase the tax rate from 3 to 4 cents. Do you want it? Now is the chance to say yes or no.

New Parking Ordinance In Effect

A special meeting of the Board of Trustees of the City of Coronado was held last Monday afternoon, for the purpose of placing the new parking ordinance in effect. The ordinance came up for its second reading and was regularly passed. Being an emergency ordinance, it went into effect immediately.

This ordinance, it is hoped will satisfy everyone. It abolishes the parallel parking, which was admitted to be a nuisance and replaces the old system of parking at an angle. However, under the new ordinance the parking angle is 30 degrees, which affords much more driving space on the street, than was afforded by the ordinance which provided for parking at an agle of 45 degrees.

Billboard Ordinance Again Up

The Billboard ordinance came up for a second reading, but as there was only a bare quorum present and trustee Holmes failed to second the motion for its passage, it was held over till the next regular meeting. Trustee Holmes did not object to the ordinance, but stated that as the city planning commission had had the matter under discussion, he considered that the matter should be submitted to them before final action was taken.

This ordinance provides a tax of $1,000 per month, payable in advance, for each billboard erected. Since its first reading representatives of some of the billboard advertising companies have attempted to influence the trustees to go no farther with the matter.

It appears, that in the past there has been a gentleman's agreement whereby the billboard companies have refrained from invading Coronado. It is their idea that such an arrangement should continue. They pointed out the fact, that the passage of this ordinance might inspire other cities to pass similar ordinances, in which event the billboard companies would be forced to fight. They also offered to continue the present gentleman's agreement, if the trustees would go no farther in the matter, but did not put their proposition in writing.

City Manager Allen argues that the ordinance should be passed and that Coronado should feel proud to lead the way in such a matter, but failing in obtaining the support of Trustee Holmes, the ordinance did not pass.

Commission Delegates Appointed

Pursuant to the request of the City Planning Commission it was voted to send Chairman Harper to Los Angeles next April 6, 7, 8, and 9, as delegate to the convention of city planners. As city zoning will be one of the big questions at this convention and as there has been some question raised as to the validity of Coronado's present zoning ordinance, this meeting is expected to be of much interst to the delegates from this city.

CORONADO HIGH TEAMS BATTLE AT ESCONDIDO

TODAY'S GAMES
CORONADO AT ESCONDIDO

Talented Girl Will Appear In Comedy Given by Seniors

Miss Nelle Anderson, beautiful and talented Coronado girl, who will appear in the title role of "Dulcy." This diverting, modern comedy is to be produced by the Coronado High school seniors on Friday evening, Feb. 29, in the beautiful theatre of the school, under the direction of Mrs. J. Leslie Cutler.

High School Notes

Dearest Fancheon:—

Well, we arrived home from the Junior picnic all in one piece, but we really felt like ten thousand pieces on the inside. However we had a most wonderful time. The Junior boys and girls were victorious over the Seniors in baseball. That's certainly one time when we beat those Seniors.

Oh, Fancheon! I do so wish you could be here to see the Vodvil to be put on right after the Senior play! It's going to be just great. There are going to be dances, plays, singing and all sorts of novelties. And speaking about the Senior play, just think they are putting the finishing touches on it right now and its to be given next Friday night, February 29th.

The play "Dulcy" is going to be one of the most successful plays put on by Coronado High School, at least every one thinks so and what a person thinks about enough usually comes true.

Mr. Cutler, on an expedition to San Diego in behalf of the school and the play in particular, found some wonderful flood and spot lights. These were used by the Broadway Strand players but on account of the theatre closing, Mr. Cutler was able to purchase the lights for the betterment of the stage. You should see how fascinating our new curtain scenery looks with the colored lights. Just like velvet. We now have one of the most fully equipped stages of any school.

Mrs. Cutler, teacher of the English IV class and Miss Baumgartner, the English III teacher, have "swapped" places, so to speak. As Miss Baumgartner specializes in written composition, and Mrs. Cutler in Oral work it was necessary to change in order to give both classes the advantages of both. However it will only be for about three weeks. We have been studying Emerson's essay on Compensation in English IV and altho some of us detest written work once in a while still somebody said there was Compensation in it because Miss Baumgartner didn't make us stay half the noon period. Oh Golly! Mrs. Cutler, please take notice. Ahem!

There is no more news for this week, Fancheon, so I'll close.

Love,

Ruth.

Senior Class Scores Success With "Dulcy"

Second Performance Will Be Given At Hotel del Coronado Next Thurs.

The Senior class of Coronado High School presented the charming three-act comedy "Dulcy", to a large and appreciative audience, Friday evening, February 29th in the school theater.

The play was given under the direction of Clara Belle Cutler whose rare discernment in choosing the cast was evident by their natural interpretation of the several characters.

Talented Girl Will Appear In Comedy Given by Seniors

Miss Nelle Anderson, beautiful and talented Coronado girl, who will appear in the title role of "Dulcy." This diverting, modern comedy is to be produced by the Coronado High school seniors on Friday evening, Feb. 29, in the beautiful theatre of the school, under the direction of Mrs. J. Leslie Cutler.

High School Notes

Dearest Fancheon:—

Well, we arrived home from the Junior picnic all in one piece, but we really felt like ten thousand pieces on the inside. However we had a most wonderful time. The Junior boys and girls were victorious over the Seniors in baseball. That's certainly one time when we beat those Seniors.

Oh, Fancheon! I do so wish you could be here to see the Vodvil to be put on right after the Senior play! It's going to be just great. There are going to be dances, plays, singing and all sorts of novelties. And speaking about the Senior play, just think they are putting the finishing touches on it right now and its to be given next Friday night, February 29th.

The play "Dulcy" is going to be one of the most successful plays put on by Coronado High School, at least every one thinks so and what a person thinks about enough usually comes true.

Mr. Cutler, on an expedition to San Diego in behalf of the school and the play in particular, found some wonderful flood and spot lights. These were used by the Broadway Strand players but on account of the theatre closing, Mr. Cutler was able to purchase the lights for the betterment of the stage. You should see how fascinating our new curtain scenery looks with the colored lights. Just like velvet. We now have one of the most fully equipped stages of any school.

Mrs. Cutler, teacher of the English IV class and Miss Baumgartner the English III teacher, have "swapped" places, so to speak. As Miss Baumgartner specializes in written composition, and Mrs. Cutler in Oral work it was necessary to change in order to give both classes the advantages of both. However it will only be for about three weeks. We have been studying Emerson's essay on Compensation in English IV and altho some of us detest written work once in a while still somebody said there was Compensation in it because Miss Baumgartner didn't make us stay half the noon period. Oh Golly! Mrs. Cutler, please take notice. Ahem!

There is no more news for this week, Fancheon, so I'll close.

Love,
Ruth.

Senior Class Scores Success With "Dulcy"

Second Performance Will Be Given At Hotel del Coronado Next Thurs.

The Senior class of Coronado High School presented the charming three-act comedy "Dulcy", to a large and appreciative audience, Friday evening, February 29th in the school theater.

The play was given under the direction of Clara Belle Cutler whose rare discernment in choosing the cast was evident by their natural interpretation of the several characters.

Nellie Anderson as "Dulcy" the gladsome young wife who was irresistable, yet caused many embarrassing situations by her many surprises and efforts to please. She was well balanced by her practical, business-like husband, Maurice Goodbody. Marwood Konold, represented the extremely bored young brother who did not approve of his sister's social affairs, especially those that included eligible young men and the girl of his choice. Elden Dilley, as the imposing C. Roger Forbes, a middle aged business man, with little inclination for social life, yet hampered by a young wife and popular daughter. Martha Farnum as Mrs. Forbes, a most attractive young matron, was the cause of much anxiety to her husband, by the attentions she received from younger men. Catherine Crose, the romantic daughter, surrounded by many suitors, plans to elope with her genius lover and is abetted by "Dulcy" and her brother Willie, who proves he has a motive, by winning her in marriage himself. Allen Nicol, posing under the distinguished name of Schuyler Van Dyck, was truly the polished gentleman and ideal Beau Brummel. Charles Smith played a pleasing part as Tom Sterret, a young advertiser whose enthusiasm for business ruined his romance. Harry Burt, as Vincent Leach the temperamental scenarist, was admirably suited to the role he played. Paul Brose was most natural as the conservative representative of the Van Dyck interests who also assumed the responsibility of the welfare of his irresponsible cousin. Maurice Rodgers played the part of the man with a past, whom "Dulcy" befriended and employed as butler, which was well interpreted.

The costumes were models of the latest in business, sport and evening wear and harmonized with the beautiful stage settings. The quietness that prevailed, except for bursts of generous applause, was the highest tribute those young players and their director could desire and was conclusive evidence that the class of '24 was well represented and the whole school may well be proud of the production. The community that has provided this wonderful little playhouse and made possible these opportunities for the pupils, may feel well repayed for the investment and no longer wonder of what use it will be. The school orchestra, under the direction of Prof. S. A. Norris favored the audience between acts and was much appreciated. The last curtain call was the scene of a profusion of flowers presented by admiring friends.

To Repeat Performance At Hotel

For the benefit of those who did not have an opportunity of seeing this clever comedy success, a second performance will be given at the ball room of the Hotel del Coronado Thursday evening, March 13th at 8 p. m.

High School Notes

Dearest Public—

Well, we can at last breathe easier since the Senior play has been presented and was such a great success, but we are slowly but surely losing all our collected breath, because the Juniors start work on their play next week. Just ask any Junior whether or not theirs will be the best play and hear what they say.

Last week some of the boys and girls who are planning on going to college spent a study period or two in the library learning how to look up books without tearing down the whole building and driving the librarian insane. Miss Morton the librarian, explained the whys and wherefores of the business. It will certainly be a great help to the students.

Everybody is starting work on the "Vodvil" to be presented to the public in a few weeks. Honest! There is going to be a real movie studio and they are really and truly going to take a picture. It is called the "Filming of Uncle Tom's Cabin." Miss Ruth Ingle is starring as Little Eva and Russel Macdonough as Levi, the director.

And wait till Irva Gawne and Myliss Foster take you back to old Spain with their dance of the Spanish Cavaliers! Come on—let's go! Well, I don't want to tell you anymore 'cause it would spoil it for you but the committee consisting of Viola Tatum, chairman, Maurice Goodbody and Ruth Ingle is working hard and we know it will be a success.

Speaking of mud baths to help rheumatism, golly, the basketball boys wont have any rheumatism till they are one hundred and etc. years old. It all happened at Grossmont on Monday. As you know, it rained and it rained out there. And adobe plus water equals mud so that's what the court was like. Truly, you couldn't tell which side you were yelling for, half the time. Speaking of greased pigs. Goodness, the pigs had nothing on the basketball.

And we lost, 7-6. Oooooo! But I suppose it's all in a life time but it certainly isn't verey elevating to ones spirits. This afternoon we are going to Ramona to play. Here's hoping the boys don't have to play water polo again.

It certainly is a close race. No, we don't mean at Tia Juana. This is right here at school and it all is on account of the most popular girl and boy in school. At least that's what we are trying to find out. By the end of this week we shall probably find out "who is who" and "which" is "what." My! My! How the money did fly around assembly this morning. You see this is one plan to raise money for the Annual. Each vote is one cent and when some one walks up and "planks" down one dollar, thereby giving some candidate one hundred votes, and then somebody tears madly up and deposits one peso on someone else—well, it's a hot time in school thse days. This is not only a mad money raiser, but it also lets us know what people can do towards being real friends with every one. The candidates among the girls are:

Nelle Anderson (leading so far), Dorothy Allen, Agnes Ellinger, Cynthia Stanton, Merel Hall, Eleanor Reynolds.

Boy candidates — Donald Bishop (leading), Harry Burt, John Brose, Douglas Corrin, Billy McCreery, Maurice Goodbody, Frank Metcalf, Louis Millen, Jack Thompson.

Come on everybody, vote for your favorite, and for goodness sake, don't forget your money. You understand you can vote as many times as you want. Of course we hate to take your money but we must put out a keen annual this year.

Well, as Mr. Cook insists upon giving us Civics test, I must stop.

As always,

Ruth.

NATIONAL CITY TEAM DEFEATS CORONADO, 7-6

Coach Herbert N. Hoskins' Sweetwater Union high school basketball players showed themselves to be "superior mudders" as well as good basketball players yesterday and defeated Coach Clyde Cook's Coronado high quintet, 7 to 6, in the first of the series of games to decide the county conference varsity championship.

Heavy showers which fell during the afternoon made team play almost impossible and accounted for the low score.

Tomorrow afternoon Coronado will meet Ramona on the Grossmont court in the second game of the series with Ramona tackling Sweetwater Friday.

CORONADO FIVE BEATS RAMONA

Defeating Ramona high's varsity basketball team, 20 to 15 yesterday on the Grossmont court, Coach Clyde Cook's Coronado high varsity five evened the count in the playoff of the tie for the championship of the county conference. Having lost a game to Sweetwater Monday, the transbay team now boasts a .500 average.

Monday at Grossmont the Sweetwater and Ramona teams will clash in the final game of the series. A victory for Sweetwater will give the National City boys the title. A defeat will mean an additional set of games.

SENIORS ANNEX CORONADO HIGH TRACK HONORS

By TED STEINMANN

Scoring 48½ points, just one more than the Sophomores were able to garner, the Senior class yesterday won the annual inter-class track championship of the Coronado high school in the meet staged on the running field at Sixth and G streets in the the transbay city.

The Sophomores made a strong showing with a total of 47½ points to their credit. The Juniors placed third with 16 points and the Freshmen last with one point.

Agen, Freshmen, chalked up the lone marker with a third in the 220-yard low hurdles.

Interest in the meet was at fever pitch throughout with the relay the deciding event. The Seniors won this event to take the meet. Burt of the Seniors, was the individula star of the meet with five first places.

Coach Clyde Cook will send his varsity tracksters against the Army and Navy academy squad Saturday in the first dual meet of the season. The summary:

880-yard dash: Burt, Muirhead, Hopper. Time, 2:33.

100-yard dash: Weir, Lyons, McCreery. Time, :11 1-5.

Pole vault: Hale, Brose, Dilley. Height, 8 feet 6 inches.

120-yard high hurdles: Burt, Metcalfe, Holmes. Time, :19 4-5.

440-yard dash: Burt, Saxon, Finlay. Time, :63.

Shot put: Brose, Dilley, Nickell. Distance, 37 feet 6 inches.

220-yard dash: Burt, McCreery, Lyons. Time, :30 3-5.

Discus: Brose, Dilley, Hale. Distance, 94 feet.

220-yard low hurdles: Burt, Metcalf, Agen. Time, :30 4-5.

High jump: McCreery and Dilley tied for first: Holmes and Muirhead tied for third. Height, 5 feet 1 inch.

Mile run: Bishop, Hopper, Campbell. Time, 6:15.

Running broad jump: Muirhead, Weir, Dilley. Distance 16 feet 3 3-4 inches.

Relay. Seniors won. Team, Lyons, Dilley, Holmes and Burt.

Fallbrook's Hopes in the County Basketball Tournament

Here are the Fallbrook Union high school basketball teams that are trying for the county conference championships. Upper left—The girls' varsity. Standing, left to right—Birdie Ridge, Mary Paige, Clara Morris and Alta Ellis; front row—Ellen Ludy, Virginia Graham, Bertha Kolb and Myntis Crooks. Upper left—The 110's. Standing—Gaston, Chitry, Trail, Koehler; kneeling—Evans, Wilt. Center—The 130's. Front row—Williams, Challender, Yarger, Margetts, Scott; rear row—McCracken, Fry, Somacal, Graham, Rice, Clugage, Smelser. Below—The varsity. Rear row—Meyers, S. Ellis, Morse, Brown, Kolb and Keller; front row—Flemming, Stande and W. Ellis.

FINAL GAMES ON TOMORROW

The county conference basketball season will close tomorrow afternoon, with six schools entering teams in the day's play. Coach Herb Hoskins' Sweetwater high athletes have completed their schedule and have buried the casaba clothes in moth balls.

Coach Clyde Cook's Coronadoans will be hosts to the athletes under L. Mashin's wing from Grossmont high school. Coach Wilson will take his basketeers from Ramona to La Jolla to play the La Jolla high school teams.

Basketball teams from Fallbrook are to journey to Escondido, where they will hook up with Coach M. W. Perry's tossers.

While tomorrow's games are the last on the schedule, it is probable that several games, postponed during the season, will be played off next week.

Coronado Juniors Defeat Frosh, 11-3

Coach Clyde Cook of the Coronado high school has his baseball players busy getting in condition for the coming diamond season. In the second game of the interclass series staged yesterday across the bay the Juniors defeated the Freshmen, 11 to 3.

The first game was won by the Seniors, who humbled the Sophomores. In the game scheduled for today the two losing teams, Frosh and Sophs, will mingle, while tomorrow Coach Cook will pit the Juniors against the Seniors in the game for the school class championship.

The champion nine will meet a picked team Friday, and practice for the varsity players will get under way Monday, announces Coach Cook.

High School To Give Vodvil April 11th

Friday evening, April 11th, has been set for the presentation of the Annual Vodvil at the High School Theatre. This production has been composed and directed by high school students and it promises to be one of the best ever given in our little community theatre.

The music for the evening will be furnished by "Newkie's Jazz Hounds," a group of seven young and talented musicians who have been practising faithfully under the supervision of Albert Newcombe. These students will give the latest popular and cyncopated music during the performance.

The Girls Chorus, which you no doubt saw at the Girls' Club Hi Jinx, will give another group of dances for the Vodvil. With the practice the girls have had up to the present they have reached almost professional efficiency in their dances. Myliss Foster, a member of the senior class, has been directing the girls for the last two months and we feel sure you will enjoy this special number.

Now comes a sketch in which you will all be interested. "The Filming of Uncle Tom's Cabin," or a modern comedy version of that beloved play is one of the most difficult pieces of stage work that could be put on by high school students This has taken many months of careful planning and working out by the cast, but it is nearing completion now. Every one come and see how Viola Tatum interprets the role of Little Eva, George Rogers the part of the lovable Uncle Tom and Starling Watson the role of the villan, Simon Legree. Besides the characters in the play there is the director of the company, played by Russel Macdonough. In this role Russel gives a very clever interpretation of a Jew and although he cannot be compared with—say—a David Warfield—he will make you all laugh, without a doubt.

Besides these features you will witness that drama of the orient, enhanced by beautiful costumes—"The Camel and the Vampire." Marwood "Willie" Konald takes the difficult role of the villainous shiek in this and Ward Beechley and Merel Hall are the oriental lovers. Then comes the mysterious number "The Very Naked Boy!!!!!" SSSHHH! We won't say a word about this. Then, too, we have a boys' chorus or "The Fairy Dance of the Athletes," features which you cannot afford to miss.

This whole program has been worked out carefully by the committee—Maurice Goodbody, Viola Tatum and Ruth Ingle, so we can assure you of a very enjoyable evening. The time is 8 o'clock in the High School Theatre, the admission only 25 cents. All the proceeds will go to the High School Annual, so please help us make a success out of it.

SWEETWATER COMES FIRST

National City Lads Roll Up 47½ Points In County Meet.

By LEWIS SCHELLBACH

Sweetwater Union high school took first place with 47½ points in the all-county high school track meet held yesterday afternoon on the State college field. Other schools finished: Coronado, 31 points; Army and Navy academy, 15; Grossmont, 14; Ramona, 5; La Jolla, ¼.

Hoagland, of Sweetwater, ran true to predictions and came out individual high point man with 16 points. Wier, of Coronado, hung up second place by knocking down two firsts.

Times made were generally good, very few exceptionally fast or slow ones being made. The low hurdles times of 27 3-5 seconds, made by Burt, of Coronado, is the only remarkable record made.

The half mile relay was a spectacular race. Coronado took the lead from the start and held it for over a half lap, when Army and Navy drew up and remained in the front for the rest of the running. Sweetwater, Army and Navy, and Coronado fought for first place for the entire 1 minute 43 seconds.

Yesterday's 29 point winners will meet State college and a picked service team next Saturday in a triangular tussle. Ed Cooper has been drilling has navy men, so, although little is known of them, they are expected to give their opponents a run next week.

The results are:

Mile run—Warnock (R), Johnson (S), Varney (G). Time, 5:12 2-5.

100-yard dash—Wier (C), Hoagland (S), Kimball (S). Time, 10 3-5.

120-yard high hurdles—Foley (S), Burt (C), Levy (C). Time, 18 sec.

440-yard dash—Hoagland (S), Peplow (A and N), Webber (G). Time, 57 2-5 seconds.

220-yard low hurdles—Burt (C), Kimball (S), Foley (S). Time, 27 3-5 seconds.

880-yard run—Robb (S), Gleave (G), Willett (A and N). Time, 2:16 3-5.

Pole Vault—Boone (A and N), and Edmonds (S) tie. Mathews (S). Height, 9 feet, 9 inches.

Discus—Brose (C), Otis (S), Smith (G). Distance, 100 feet, 9 in.

High Jump; McCreery (C), Parks (G), Adams (L. J.) and Foley (S) tie. Height, 5 feet, 3 inches.

Shot put—Greife (S), Brose (C), Chisholm (G). Distance, 40 feet, 5 inches.

Broad jump—Hoagland (S), Levy (G), Freer (A and N). Distance, 19 feet, 11 inches.

Relay won by A and N team composed of Chipman, Towle, Peplow, Freer. Time, 1:42.

High School Notes

Dearest Public:

Every one is working hard on the Vodvil now. We expect to have it ready to put on in about three weeks or a month.

"Newkie's Jazz Hounds" are practising steadily now and let me inform you, they certainly can string the music along. And the boys chorus—don't miss this spring dance—it's a scream! If you all don't enjoy our Vodvil—your money back (if you can find the box office girl after the show.) There is plenty of fun, but still there is just a bit of the serious side of everything too, so be prepared to shed tears along with laughs.

Ray! Ray! Don Bishop and Nelle Anderson are leading now in the Popularity Contest. Only three more days to go and over $100 already in for the Annual. Let me tell you, folks, there's nothing like having contests to raise money. If any of you business men feel the need for money (which most of you usually do) just come around to C. H. S. and we will be glad to help you out. You might have a most popular clerk contest or a contest on "Whether Heinz Pork and Beans have more Pork than Campbells." You don't very often find the pork at all, but there's nothing like fooling people.

If some of our students don't collect the numerous pens and pencils Mr. Cutler has in his office, Art Holmes, our Student Body president, is to hold a public auction, and the pens go to the highest bidder.

On account of Mrs. Cutler's illness, the Juniors are not able to progress very rapidly with their play. About the only thing they can do is to learn their lines, which they are doing very nicely.

In the February Typing Contest Irva Gawne of the Senior class won a beautiful silver medal, writing sixty-two words a minute, net! This isn't the easiest thing in the world to do, as the contestants do not see the contest paper until time to write. Irva operates the mineagraph used for printing the "Echo." She also received a bronze medal in the same contest. There were other pupils in the typing class who received certificates. The March contest will begin in a short time now. The medal was presented by the Underwood Typewriter Company. Always,

Ruth.

P. S. The boys in the Spring dance positively refuse to wear ballet costumes but as "Sneeze" Cridge says they are going to, they probably shall. "Me"

School Notes

The initiation of the Freshmen took place with due pomp and ceremony on Friday afternoon during the 7th and 8th periods. The Sophomores showed great originality in the stunts they put the Freshmen through. The "Pea Greens" proved to be good sports and worthy of their entrance into High School. While they bravely faced their trials and tribulations the faculty and Student Body were convulsed with laughter. After the initiation a tug of war was held. The Sophomores won pulling the Freshmen slowly through the water.

The girls physical training classes have been entirely reorganized this year. There will be four teachers in charge of the athletics so that they will be better cared for than in any previous year. Miss Baumgartner will have the girls basketball; Miss McNeil, tennis; Miss Kennedy swimming, folk dancing and other gymnasium work and Miss Buliver will assist Miss Kennedy by taking indoor baseball. The year has been divided into four terms so that a month of swimming can be had at the beginning of the year and at the end of the year. These divisions in the work will add interest and almost be a guarantee that no ditching will be attempted.

Mr. Shoemaker has organized his physical training classes and the boys are meeting every afternoon. Hand ball, indoor baseball, soccer and tennis are being played.

Since the adoption of the merit system, tardiness to school and classes has almost been obliviated. The merit system in many ways will be a great asset to the school.

High School Notes

We are very proud of the showing our boys made against the huskies of the U. S. Melville in the football game Friday. The enthusiastic students who turned out to the game were well rewarded by seeing Harry Burt make a touchdown, which gave us our first victory, the score being 7-6. We hope the boys will put up as good a fight when they meet Sweetwater here on the twelfth of October.

Our flag is at half mast and the school is greatly saddened by the death of our friend and former classmate, Dorothy Bandel, a graduate of last year. Dorothy was an active member in our school and had planned to take a Post Graduate course this year, but was unable to do so because of her ill health.

The girls have started basketball practice. By the looks of the new material and the new coach, Miss Baumgartner, the girls are in line again for the county championship.

The Sophomore class honored the Peagreens with a delightful party given in the school Friday night. From reports we hear that the classes and teachers enjoyed games and refreshments until the late hour of ten o'clock.

Tuesday morning the assembly was entertained by a clever dialogue given by Marie Zaharova and Harry Burt, introduced by Mercedes Gates, all of the Oral English classes. The selection was entitled "The Fair Enthusiast" and was a take-off on the flapper.

The Seniors will soon be seen flashing their new sweaters. The colors are black and gold so we are expecting something very brilliant.

A meeting of the teachers was held Friday in order to discuss the standings of the pupils. All students who are not doing recommended or passing work have been notified by the teachers and are expected to come up to the average of the class or to drop extra work. Extra help may be had at any time from the teachers.

The football boys are in hard practice in order to meet the Naval Hospital Team in a game at the stadium Saturday, September the twenty-eighth. This game is to be a benefit for the widows and dependants of the men who lost their lives at Pont Honda. We hope to have a good rooting section from Coronado.

Coronado High Defeats Melville Eleven

Last Friday afternoon at the service Field the local high school football eleven tore through the strong Melville team and came out victors to the tune of 7 to 6. The two teams battled up and down the field for three quarters, neither team being able to score. However, when the last quarter was about half over, the navy team took the ball on a series of line bucks and put it on Coronado's five yard line. Here the green and white boys held studdornly for three downs and then Captain Barrett of the Melville eleven smashed the line for a touchdown. The try at goal failed. Although time was short and the Coronado eleven was behind, they were not the least bit discouraged. Fighting with the Coronado "Never say die spirit" they finally placed the ball over the goal line through some brilliant playing on the part of Dilley and McCreery and a long pass to Burt, who after the catch ran five yards to a touchdown. Smith at right guard then dropped back and with much difficulty due to the ball being fumbled, kicked it neatly between the posts about a foot over the bar for the winning point of the game.

Coronado High School Students to Participate In Annual Shakespearean Contest in Berkeley

Miss Martha Farnum and George Lewis, two talented students of the Coronado high school who were given the rewards of merit at the recent high school Shakespearean contest and are now in Berkeley, to appear as participants in the fifth annual Shakespearean contest for high schools of the state of California, being held at the Greek theatre of the University of California.

MISS MARTHA FARNUM of 1520 Glorietta boulevard and George Lewis of 1004 Isabella avenue, in Coronado, who received the rewards of merit at the recent Shakesperean contest held at the Coronado high school, under the supervision of Mrs. Cutler, consisting of transportation tickets to Berkeley, to take part in the fifth annual Shakesperean contest for students of the high schools of the state of California, have left for the north. These two talented young people are participating in the contest, which is being held under the direction of the Greek theatre, of the University of California.

The program given in Coronado last week, which decided who should represent that high school in the Berkeley contest, was most artistic, being presented in costume, tableau form and recitation. The award was made by votes from the audience for the best and most finished sketch. The program, with those participating in it, and the characters and excerpts from Shakespeare they presented, follows in full.

Desmond Turquand as Hamlet, Hamlet, Act 2, Scene 2.

George Lewis as Othello, Othello, Act 5, Scene 2.

Irva Gawne as Imogen, Cymbeline, Act 3, Scene 2.

Bertha Hawk as Desdemona, Othello, Act 3, Scene 1.

Nelle Anderson as Juliet, Romeo and Juliet, Act 2, Scene 2.

Mildred Hammond as Joan of Arc, King Henry VI, Act 5, Scene 4.

Elizabeth Floyd as Constance, Life and Death of King John, Act 3, Scene 3.

Martha Farnum as Lady Macbeth, Macbeth, Act 1, Scene 5.

Viola Tatum as Cleopatra, Anthony and Cleopatra, Act 5, Scene 2.

Inez Cridge as Juliet, Romeo and Juliet, Act 4, Scene 3.

Coronado High School students keep audience laughing for two hours.

Those who attended the vaudeville performance put on by the High School students on Wednesday evening can congratulate themselves that they rank among the high financiers for they secured a couple of dollars worth of entertainment for a quarter. Every item on the well balanced program was a success. With the exception of a fascinating folk tale given by the queen of story tellers Mrs. Ritza Reardon all the talent was recruited from among the students themselves.

Versatile Elizabeth Floyd as the colored Lucinda drew the first laugh. Maurice Goodbody and Elden Dilley were her admirable supporters in the darkie sketch "Kiss me Camille." Viola Tatum scored in her representation of a loquacious gum chewing matinee devotee.

Mrs. Reardon provided an unusual treat with her graphic Russian folk tale "The Little Humpbacked Horse." To tell a story as Mrs. Reardon does is a divine gift.

For the most charming number of the evening it is a toss up between little Elizabeth Cridge in her solo dance and Anna Frosio and her partner in "Pierrot and Pierette." Excellent dancing marked both acts. It is not too much to say that some professional offerings would have to take second place to either.

The tableaux "Freaks of Nature" and the "Automobile Show" were riots of fun and brought down the house. Harry Burt played his part as if to the manner born.

Nelle Anderson with her monologue "The Beauty Doctor," Kathleen Cridge with a vocal solo and Myliss Foster in a pianologue rounded out a performance that did credit to originality and management of the youthful Thespians.

On Tuesday of last week, Ethel Flanagan gave in assembly a monologue entitled "Another Point of View." We all enjoyed it very much and hope she will favor us with something else soon.

Thursday, Martha Farnum, accompanied by her mother, left for Berkeley to take part in the final Shakespearian contest to be held there Saturday, May 26th in the Greek Theatre.

The school was very glad to see Mr. Cutler back again last Monday morning, after a week's absence at the Principals' State Convention in Yosemite.

There have been quite a few boys out for the swimming team so far, but, "the more, the merrier." New candidates are always welcomed with open arms. The swimming team is expected to do great things this year, but without more material, there will be the same old story to tell—"We lost." Get your spirits up, boys, and let's win at least one championship this year. Remember, this is our last chance to do it, and we want to make the most of it, so get out in the water in full force. And then, there is the interclass swimming meet to practice for—and no matter how good you are, or think you are, a little practice will always do you some good. Swimming is a sport that every red-blooded boy likes, but it is a rare thing in the afternoons, after school, to see more than a dozen and a half boys down there at the Tent City swimming float. Some of the girls are showing more spirit than the boys, for there are a few regular attendants among the fair sex down there every afternoon.

P. S. The tennis team goes to La Jolla Friday to play inthe county tournament. We are represented by some fine players, and hope to "bring home the bacon."

"DULCY"

Life's path is crooked and beset by many trials and tribulations. Oh, don't you think so? Well, suppose you were spending the week end with a young couple who were continually pestering you to death! Suppose your hostess insisted on your getting up about 6 A.M. and play golf when you were used to "Crawling out," about 1 P.M. and loathed golf! Suppose your wife, whom you had known and trusted for years suddenly took on a frivolous streak and flirted outrageously with a half balanced millionaire! And your beloved little daughter was madly "Mashed" on a scenarist who took a fiendish delight in reciting at great lengths his ridiculous plots while you were longing for the peace and repose of your bed! Suppose, on top of all this, your hostess's kid brother banged the piano and whistled continually when your headaches were the worse! Then, suppose you had the biggest business deal of your life on your hands and were worried sick about it! Oh, so you don't think all these things would happen to one person all at one time? Well, smarty, they do. In the play "Dulcy" which the Seniors presented the twenty-ninth of February even more complications than these arise. Nelle Anderson played beautifully and realistically the part of the delicious dumbell, Dulcy. Maurice Goodbod slightly over-run and hen pecked, poor thing, was Gordon Sh Dulcy's husband. Elden Dilley as C. Roger Forbes, played the part of the poor man who is so beset by all these troubles. Mrs. Forbes who surprised her husband (Dilley) nicely played by Martha Farnum. Harwood Donald suited the kid brother part to a "T". As Bill sent every one into hysterics as he whistled blithefully thru his part Harry Burt, was "excruciating" funny in the part of the ravin scenarist. Catherine Crose, a the daughter of Mr. & Mrs. Forbes was very charming. Alle Nicol who was the half(or wholly) unbalanced would-be-millionaire fools every one until the very end. Chas,Smith as the publicity agent played his part very capably. Paul Brose and Maurice Rodgers both handled their parts remarkable well.

Much credit is due our little Peagreens, for the wonderful way in which they have been co-operating with Charles Smith, and Johnny Brose. Under the direction of Charles Smith, the Peagreens, made it possible for the rooters to have seats at the Basket ball games, and Johnny, has actually taught the youngsters how to handle shovels and rakes, in the famous art of rounding a track!

Now upper-classmen, what are you going to do? After the Freshmen have labored and slaved and pulled weeds for two weeks, are you going to let their efforts go unappreciated?

Every boy in school should be out for some branch of sport, and there is not a finer builder of nerve and energy than track.

Its up to you students if you want success, you must deny yourself a few moments, and get behind the coach!

Mr. Cutler says "Our average Scholarship record is steadily raising due to the Merit System." But our school and student activities could be very much improved upon.

It is the duty of every student of the Coronado High School to improve upon these weak points, and be regular workers for our school.

Again, the Seniors have upheld their dignity by winning first place in the Merit System. The Sophomores, were only beaten by .2 of a point, which means that the Seniors had better start running if they expect to win again!

Agnes Illinger was elected Yell Leader of the C. H. S. Rah! Rah! Rah! for you Aggie. She did wonders at the Sweetwater game.

It is rumored that she will appoint Ruth Ingle for her assistant.

DUMB CLASS

On a Monday morning not long ago Mrs. Cutler informed the Eng. IV class that they were to report to Miss Baumgartner the following morning. There were both joyful and sorrowful exclamations from the students. Tuesday morning the pupils all made a mad dash for Room III, and were in the seats they wished; when in walked the famous Eng. III teacher. She expressed the fact, that she wasn't any more glad to have them than they to have her. She first moved Maurice to one corner of the room and Marwood to another. Viola and Eleanor had such a fight that Viola's seat was changed. "I am glad I am finding out your idio------- syncraticabilities before we indulge in our work for the following month," said Miss Baumgartner. Nelle and Evelyn asked if they could consult a dictionary. The class is sure they will enjoy every moment spent inside Miss Baumgartner's famous portals.

Mr. Cook has decided to take drastic measures if several of his History IV pupils do not keep their pencils off the floor.

There is much discussion through out the school as to the dumbest class.

For example take the Hist IV class.

Never in the history of ma has such a rare collection of dumbbells been gathered and placed in one class. Whistle th if you can.

In the back of the room we have the famous group known as "The One and Inseparable quartette of Whispering Willies," composed of "C. Crose, Sneeze Cridge, Hi Burt and Shorty Fredericks." Ladies and Gentlemen if any quartette can out whisper this famous group, my chest will expand 1/8 of an inch with pride to meet them.

Next comes the one and onl Martie Farnum who is out of pla in this group, being naturally intelligent.

Friends and Fellow Sufferers we now come to that rarest of humans, there are two of them together being the greatest contortionists and impersonators this side of any asylum. Both being able to impersonate any thing o two pins and some things on four pins. This group Ladies and Gentlemen is composed of Hiram Dilley and Si. Goodbody. If an one desires to witness teamwork watch this couple.

Next we have Stefano the "Count" who believes that the

HOT JOB.

Marwood: "Why are you wearing so many coats on such a hot day?"

Doug. C.: "Well, you see, I'm going to paint me father's barn; and it says on the can, 'To obtain the best results,' put on at least three coats."

Not So Dumb.

Dines: "I tell you, Hale knows his stuff."

Fat: "What makes you think so?

Dimes: "Didn't you hear how he broke the record in the back-stroke the other day?"

Fat: "Yes, yes?"

Dimes: "Well, the cagly guy put his suit on backward and swam the crawl."

Try This Once

If you want to hear some good vocal music and see a real graceful Russian dancing; just step on George Rogers foot.

Al Newcombe to Viola Tatum: Just on kiss before I go."

Viola: I'm sorry dear but we haven't time, Father will be here in an hour.

SPEAKING OF DUMBELLS

Speaking of Dumbells and Dumbbitis, can you beat these? For be it from me to mention names, but last week I saw a flock of girls who were so dumb, they think that, "B.V.D. is a college degree "July Four th is a King." "Alluloid is Harold's sister "The Mexican border pays rent."

"Zane Grey is a new color."

"Bull Run is a cattle ranch."

"C.O.D. is a radio station."

"X-Ray is Charles Ray's brother."

"A blood vessel is a ship."

"Sing-Sing is a lullaby."

"Madison Square Garden is a potato patch."

"Puget Sound comes from an organ."

"Only kings use royal typewriters."

"Snoring is sheet music."

We make a motion that the school install mail boxes in the study room. Especially during third period, so that a few of our more or less, in love students won't have to take "time out" to carry letters back and forth.

Of course we understand it is perfectly necessary and all that but----------

price of garlic will start the next war.

The next couple, of friends are composed of "Spuds Tatum" and "Shady Roof Shingles" who have the reputation of being able to get away with murder.

Next is Chas. Smith or the Simon Ligree of C. H. S. who can get the air in History IV more times than any two people.

We now meet a wonderful trio composed of Fluffy Bul-ger, M. Foster and Dizzy Mac-Donough, this trio are responsible for 99/100% of the disturbance in History IV.

Our rarest specimen is Sherlock Holmes alias "Shylock" alias "Lil' Arthur", alias "The Shadow" alias "The Giraffe." This specimen sits and lies down in sections, the only one of his kind in the U. S.

Now we meet the "Corridor Chick" or Bill Konald who has stopped more clocks than a Chinatown Jeweler.

Last but not least we'll examine "Leathernick Bishop" the bootleggers friend, who sleeps better than anyone else in History IV.

I am now convinced that there is no dumber class in C. H. S. and therefore the History IV Class wins the hole in the doughnut.

Saturday, Feb 13th the Juniors entertained the high and mighty Seniors with a picnic. The day was spent in hik-ing, playing indoor(by the way the Junior girls beat the Seni girls) dancing, swimming and eating. Speaking of eats, Hur Hay! they were good. Some of the party formed a reducing club and with great effort, attempted hiking up the hills. But due to the fact that they lost so much weight they be-came frightened for fear no one would recognize them, calml" seating themselves on the top of a hill, they devoured no les than four pounds of candy among them. So all their efforts pinned in vain.

Everyone had a most enjoy-able time and the only com-plaint heard was that they couldn't stay longer.

A NEW ONE.

A 'teen club of the Y. W. C. A. has been organized, calle "The Girl Reserves,"

The first meeting was held on March 11, and we anticipate many good times.

Any girl desiring to join, may see Colleen Pyle who is President.

VODVIL!!!.

Well, folks, the Vodvil is about ready to be presented. We guarantee to have the most wonderful and assorted collection of freaks ever presented before the American public! Herein we will give you an idea of what we are going to amaze the lucky citizens of Coronado with sometime in the near future.

First we have "Newmie's Jazz Hounds" in which Mr. Albert J. Newcombe stars on the trombone. In this specific collection we also have Johnny Clerman (the most curly headed boy incaptivity) who sings soulfully and struts his stuff on the banjo. There are many other marvelous specimans in this particular selection but we will keep them as a surprise.

Then--there comes the "Camel and the Vampire" starring Bill Konald as the Shiek and young Ward Beechely as the lover of Merel Hall, who takes the difficult role of the demure maiden. You will all be pleased to witness "Willie" in this playlette I am sure--in it he is so different from his natural school boy self.

Now here comes something in which the older as well as the younger generation will be interested. In this Russel McDonough is starring as the "movement" picture director and Spuds "takes the cake" as little Eva! This happens to be the drama "The Filming of Uncle Tom's Cabin." We know you will all sympathize with our lovable Uncle Tome (played by George Rodgers) and hate the horried cruel villain Starling Watson as Simon Legree. "Fat" Smith, as the tough camera man "picks up the marbles."

Of course, you've all heard of the Boys' Chorus or the Fairy Dance of the Athletes In this Dilley and Holley Tatum "strut their groceries" and impersonate dainty little chorus girls. Don't miss them and the rest of the boys who are all thoroughly effeminate in this masterpiece.

The real shock of the evening, tho, will come when "The Very Naked Boy" will be starred Agnes Ellinger and Chas. Smith as the lovers are going to make a hit also in this select-

(Cont.,Page 3.)

we shall succeed.

This spring dancing is all right, but when there are dignified, (supposed to be) Seniors among the Springer Golley!

Speaking of Jazz-that's their middle name around here. Jus wait till the Vodvil and you will certainly agree with me.

EDITORIAL

When we stop to consider what a wonderful thing grit is, we can easily see how men succeed.

It's not the man who runs on his energy that wins the race, but the man who keeps on running after his energy is run down, is the man who wins in the long run.

For example: Take the Senior class, they were practically beaten in the interclass meet, but the wonderful grit of the relay team saved the day.

The school is proud of Seniors (even if they did win the interclass meet) they showed us the real spirit of the Coronado High School, "Fight to the Finish."

If Art Holmes still insists on trying the kick the auditorium ceiling missing it, and landing on the floor, I shall certainly make a motion that we re-enforce the stage all around. As it is, it is quite deeply dented. You see, it wouldn't be so bad if Art didn't have so terribly far to fall.

And Marwood, the poor boy has a dislocated knee and a shinned elbow.

Dilley has just missed kicking a hole thru Charles Smith's drum, and poor Holley Tatum is a nervous wreck from being thrown around. It's terrible! But I suppose it will be all right in the end.

We request that Mr. Cook please give a person fair warning when he is going to ask a question, and not scare one to death. Honest, its awfully discomforting to be wakened out of a sound sleep in History IV by having a question thrown at you. They hit so terrible hard! Ooff.

"Newkies Jazz Hounds" are certainly coming along fine. Speaking of Jazz-that's their middle name around here. Just wait till the Vodvil and you will certainly agree with me.

Honest folks, we are really trying to put out some Ted Shawns. But at present I don't know how we shall succeed.

This spring dancing is all right, but when there are dignified, (supposed to be) Seniors among the Spring er Colley!

ion.

Then we have the two clowns Harry B., and Dilley! These two monkeys will give their famous duet entitled "O Sole Me" (whose soul are you?)

Besides these comedy acts there will be a few serious ones. One of them will be Mort Dixon's interpretation of "That Old Gang of Mine." If any of you have ever lost a friend or a gang of friends you will appreciate this act with its plaintive lines and beautiful melody. A quartette of girls will present it and we feel sure that everyone will enjoy it.

Of course, there are many more acts which are just as good as these mentioned but we are going to leave them to your imagination. When the tickets come out we want every one in the school to get behind this production and put it over with a bang!!! We need the money for the Annual.

Intelligentisimus-a-um.

Gentle reader, you have no doubt observed in the last edition of the "Echo" a very convincing argument that the Senior History Class is the dumbest class within the four walls of our High School. Now, we, as high-minded Juniors do not wish in anyway to disagree with the Seniors. Far be it from our innocent minds to cause any antognism between the two classes. But being naturally inclined toward the highest in this world, we have made ourselves a committee of one to look on the more optomistic side of life and determine which class is the most intelligent.

In our research work we have met with many obstacles that caused us hours and hours of mental anguish, for instance the Peagreen Algebra classes, Soph., biology class and the Senior English class. But after taking a careful average of each class we were greatly joyed to find that the Junior English Class is the smartest class in that well known sanctuary of learning--C. H. S.

What's that? You don't believe us?

Alright! Then we'll prove it to you if you insist!!!

Now take for example such specimens as Mr. Bla Bla Howard, Mr. Round-the-bush Wisgerber and Mr. I-don't-know Newcombe, then Mr. Sociates [illegible] Finish."

La Rue, who should immediately convince you that all we have said is true. Of course you have met the We-can't talk twins, Mr. Lock-jaw McCreery and Mr. I've lost my tongue McIver, two more points in our favor.

Now, my friend, if you have never met the most famous quartette ever seen on the African stage you have missed something--the Angelic four composed of Miss Gossip-Gossip Bishop, Miss Who'd-have-to-think-it-Craft, Miss ~~Giggle-Giggle-Pyke and Miss~~ How-d-you-hear-so-much Stephenson.

Weare also greatly favored with Miss Mile-a-minute Welsh, Miss Gab-Gab Moore and Mr. D-- Bishop, who were he not deprived of wings would form a perfect angel.

Now Beloved Reader, if by this time you are not fully convinced that the Eng III class is the brightest in the school, we cordially invite you to attend our meetings and see for yourself.

Underwood and Remington certificates for speed and accuracy were awarded to Evelyn Halliday, Dorothy Allen, Isabelle Enos, and Nellie Bain the February Typewriting Irva Gawne won a silver medal and their they made toast with an electric toaster.

High School Notes

Last week ended the first quarter of school and the Merit System, which has been initiated, has proved to be a great success. It has not only raised the percentage of attendance and checked tardiness but has offered a big inducement for good scholarship. Anyone receiving seven merits or more is exempt from all examinations. For the first quarter the Senior class leads the list by having both the highest percent of class membership in the honor society. All the pupils receiving eight or more merits will form the honor society. This society will be entertained by the faculty. The standing of the classes is as fololws: Seniors 68.12%, Juniors 65.77%, Sophomores 65.44%, Freshmen 58.04%. Three students received ten merits, the largest number that can be awarded, they are Martha Farnum, Cynthia Stanton and Dorothy Allen. Jeanne Weir received nine merits. The following students received eight merits, Nelle Anderson, Catherine Crose, Evelyn Holliday, Arthur Jessup, Marwood Konald, Eleanor Reynolds, Viola Tatum, Maurice Rogers, Barrod Anderson, Frank Blackman, Gladys Craft, Ruth Garreson, Virginia Jeffries, Bill McCreery, Al Newcomb, Junior Zahn Keneith Bandel, Walston Brown, Thomas Finley, Richard Goodbody, Edith Jessop, Mona Norris, Beatrice Kanklin, James Smith, Gertrude Tammany, Vera Ukineskey, Katherine Welsh, Rosamond Snyder, Elena Whitey, Laura Whitey, Jacinata Cota, Irene Dezatell and Edith Laing. Of the honor society ten are Seniors, seven Juniors, eleven Sophomores, and eight Freshmen.

Coronado Hi Orchestra Enjoyed by Radio Fans

Last Wednesday night jazz lovers were given a treat over the radio. The Coronado high school orchestra presented by the Thearle Music Company of San Diego, played for KDPT, the Union-Tribune-Southern Electric radio station and were enthusiastically received by all radio fans who were fortunate enough to tune in.

The Coronado high school orchestra is considered among the best of its kind in Southern CaliforInia and is in great demand wherever jazz music is appreciated.

The program:

1. "Sobbin' Blues."
2. "Hoodoo Man"
3. "Say it With a Ukulele."
4. "I'm Goin' South."
5. "Before You Go."
6. "House of David Blues."

Junior Class Play Is Well Received

"Charm School Reflects Much Credit on Actors and Instructress

Before a large and enthusiastic audience at the High School Theatre Friday evening, May 24th, the curtain rose for the presentation of "The Charm School", by the Junior class of the Coronado High School. Those who were so fortunate as to witness this play were loud in the words of praise for the way in which this play was presented.

The members of the cast enacted their parts in a manner rarely seen in High School theatricals and in fact closely approached the standard of the professional stage.

Roy Burge, the leading man, as Austin Bevins and the petite leading lady, Ruth Garrison, as Elise Benedotti, were particularly good. Ruth Ingle as Miss Hays, the precise middle-aged school teacher, Junior Zahn, as Homer Johns, guardian of Elise Benedotti and Gladys Craft, as Miss Curtiss, the twittering secretary of character parts in a manner so true to life, that it was hard to realize Miss Hays carried off their difficult that they were acting.

In fact, so excellent was the cast as a whole, that it would be unfair to pick out any one or two as being better than their co-actors. Suffice to say, that they all carried off their parts in a manner which not only cast high credit upon themselves, but spoke volumes for the excellence of their training.

Mrs. Cutler has truely done wonders and the Coronado High School is to be congratulated on having so competent a dramatic instructor. As one of the audience remarked, "She is a true artist."
